

Awakening to a New World Order

A vibrant, stylized illustration of a futuristic cityscape. The scene is dominated by a large, glowing orange and yellow orb in the upper left corner, resembling a sun or moon. In the foreground, a large, gnarled tree with dense orange and yellow foliage frames the right side. The city below is a dense collection of tall, spire-like buildings and domed structures, all bathed in the warm, golden light of the setting or rising sun. The sky transitions from a deep blue at the top to a bright orange near the horizon. The overall mood is one of a new dawn or a significant transition.
