- 8.8: Color and Empathy
- 8.9: Color and Understanding
- 8.10: Color and Compassion

## **Conclusion**

- 9.1: Recap of Key Concepts
- 9.2: Future Directions for Color Research
- 9.3: Color and the Future of Humanity

Note: The title "Whose Colors" seems to be a translation error. A more accurate translation of the title "Czyje to farby" would be "Whose Colors" or "Whose Colors: A Journey Through the World of Colors" is somewhat ambiguous and doesn't quite convey the original title's meaning. A more accurate title might be "Colors: A Journey Through the World of Colors".
